# Letter from the President

Dear Elim Family,

So, here we find ourselves...100 years of Elim Bible Institute (and now College). Like many of you, it seems literally, to me at least, like 1974; I'm 24 years old, a student at Elim, the Charismatic/Jesus People Movement is happening, and we're riding the Fourth Great Awakening and didn't even know it!

**May 9th-12th**, EBIC will be celebrating its Centennial Birthday right here on this historic campus, originally the Genesee Wesleyan Seminary, founded in 1831. The excitement is already building, and we are so looking forward to having alumni, attendees, pastors, missionaries, donors, guests, and friends from all around the country and foreign fields here at Elim!

Our speakers will include myself, Pastor Andres Spyker, Pastor Jim Laffoon, Pastor Sammy Foster, Rev. Paul Johansson, Rev. Sylvia Evans, and Rev. Gary Ham. Dr. Benson Karanja will be our Saturday afternoon graduation speaker, followed by pastor and prophet, Jim Laffoon, that evening. There are also two very interesting panels as well. Just click this [link](#) to see the entire 100th Celebration schedule.

We hope you enjoy this edition of The Elim Herald with the many digital advantages and links to appreciate. Please take a special look at our 100th Celebration and Alumni information. Hope to see you at Elim's 100th Birthday!

Because of Him,

Dr. Fred Antonelli  
*President, EBIC*

# Dining Hall Updates

*Our cafeteria has gone through several new renovations!*

EBIC is blessed to have a fully equipped kitchen and dining hall on campus. Our in-house kitchen crew prepares food for students and staff on a daily basis. The dining space is also used for special events and meetings. However, many aspects of the dining hall were becoming very outdated. EBIC leadership recognized the need and started addressing the outdated dining hall at the end of 2023.

During the Christmas break, the EBIC's Facilities team rented a carpet remover and took the old carpet out of the dining hall. A flooring contractor was hired to come right after Christmas and install new vinyl flooring. The hard-surface vinyl is easier to clean and is better suited for a dining hall. In addition to the new floor, 300 new black banquet chairs were purchased. These chairs have metal frames and vinyl upholstery making them easy to clean and they look sharp!

The new floor and chairs made a big difference in the dining hall, but other parts of the room were still worn and outdated. One of our adjunct teachers, Kelly Walsh, came forward with a proposal for additional remodel work. With our leadership's blessing, preparations were made, and Kelly and her team went to work during the week of the winter

break in February. Kelly oversaw the project and worked primarily with a great team of EBIC staff and students.

The old chair rail trim was removed from the dining hall and decorative battens were added to the lower half of the walls. The dining hall was painted grey and white, and the wall lighting was updated with new fixtures. The serving stations were painted black, and the wooden windowsills were sanded and refinished. The team worked hard, and the end result was beautiful!

As I write this, there is another update scheduled. During the upcoming Easter Break, we will be redoing the concrete epoxy floor in the dining hall serving area. The new epoxy on this floor will help to tie all the updates together and give the entire dining hall a fresh look!

We are grateful for Kelly and all who worked hard to complete these tasks. We are also thankful for the donors whose generosity helped make this project possible.

# 2024 Talent Show

*Our students have so much talent, and we loved to see them shine during our annual talent show in February!*

With all the stress of classes and work we have to get done as students, it is great when there is an event to distract us, temporarily, from everything. The Talent Show is something I look forward to every year as a student. This year, I was in the junior class, so I got to be part of putting the whole event together! I was actually privileged to host it with my fellow classmate, Alex! We really enjoyed every second of it.

Setting everything up and tearing everything down is never the most enjoyable, but it was made easier by all the help we received! I am deeply grateful to all

of those in the junior class for making it happen, but also to all the others that helped us do everything that nobody saw.

I also have to mention the talents everyone had! I was blown away by the different variety of acts we had! It ranged from bands playing music, to skits about the word “glice,” which is not a word...you just had to be there to see it! I am deeply appreciative to everyone for coming out and enjoying what we put together. Thank you for all of your support!

# Worship Emphasis Week

*A lifestyle that honors King Jesus!*

For 100 years EBIC has purposely trained Christ-centered Spirit-empowered servant leaders for global ministry and worldwide revival. Our goal is to inspire past and future generations to grow in their relationship with God and be rooted in a deeper biblical foundation. One of these biblical foundations is worship.

The growth of contemporary worship music in the church has not only brought a variety of musical styles, but a misconstrued idea of what true biblical worship is. Thus, EBIC sought the importance of creating a special week where its chapel services would be designated to deeply study what the Bible says regarding worship. This year, our Worship Emphasis Week took place on our campus from Tuesday, March 5th to Friday, March 8th. The theme for the week was, “Worship goes beyond music; it is a lifestyle that honors the King!”

Rev. Barry Kwallek started our week by emphasizing the fact that every moment is an opportunity to worship God. He stated that worship is a fundamental purpose of human existence, extending beyond traditional expressions like singing in church. Rev. Kwallek challenged our students to worship God in various aspects of their lives, including work, school, and personal time. He stressed the diverse ways individuals can worship the Lord; urging our students to, most importantly, develop a deeper relationship with the Lord.

On Wednesday, Brother Samuel Case touched on the condition of our hearts. Based on the story of Cain and Abel, he stated that the issue wasn’t the type of offering Cain presented but the condition of his heart. He encouraged the students to examine their hearts before the Lord and ask Him to show them if there was anything that may be hindering their worship

of God. Similarly to Rev. Kwallek, Brother Sam concluded his message by encouraging the students to focus on strengthening their relationship with God as true worship stems from genuine love and adoration for Him.

Oftentimes in our Christianity, we tend to forget that every blessing received comes from the Lord. This is why David commanded his soul to praise God and told himself to not forget the goodness of the Lord. In Psalm 103:1-2 he states, “Praise the Lord, my soul; all my inmost being, praise his holy name. Praise the Lord, my soul, and forget not all his benefits.” We need to be careful not to exchange our worship and thanksgiving for complacency and complaint. This is why on Thursday, Brother Kirk Adams, using Psalm 136, reminded the students to give thanks to the Lord as His goodness and mercy endures forever. Even though Christians experience struggles, difficulties, and hardships, Kirk reminded us that our hope lies in Jesus, who succeeded in the wilderness on our behalf.

I had the privilege to close our Emphasis Week on Friday night, encouraging our students to keep an attitude of praise, and reminding them that God loves and cares for them unconditionally. In my message, I addressed the issue of pride, distinguishing between a healthy sense of satisfaction for a job well done and the sinful pride that exalts oneself above others and even God. I urged the students to be watchful of the dangers of laziness, cautioning against procrastination and a lack of diligence in both the physical and spiritual realms. Lastly, I reminded our students against confusing busyness with true spiritual engagement, emphasizing the need for intentional rest and quality time spent with God.

*Written by Gabriel Cepeda, Worship Director at Elim Bible Institute and College.*

## Week of Prayer

*This unique week offers students and staff the opportunity to kick-off the spring semester by spending time in prayer.*

Students at Elim have the unique opportunity to set aside the first week of the spring semester for prayer. During this time students join together in corporate worship and prayer as well as individually. The days are broken into four sessions. The morning session featured speakers who would instruct the students in sermons based on prayer and worship. Then in the later sessions, they would have quiet and personal time, and then join together to pray in small groups on various prompts. The evening session would have a message focused on prayer and often opened the altar up for students to come forward, pray, and receive prayer.

During this specific week of prayer, there was a common theme among the testimonies given to wait upon the Lord and seek after Him in the quiet place. Prayer does not need to be flashy or loud, but rather an intimate and private moment with the Lord. Another aspect of the Week of Prayer that is unique is that because students are dedicating their time to the Lord, there are many confirmations of the things people have been asking and seeking the Lord for, as well as direction and callings. Overall, the Week of Prayer is a time for students to connect with the Lord and consecrate the year to Him!

# Prophetic Presbytery

*Empowering the 100th graduating class through  
the ministry in the Holy Spirit!*

On March 15, 2024, the 100th class of Elim Bible Institute and College gathered for their Prophetic Presbytery. As the rain fell outside on that day in Lima, NY, the Holy Spirit rained down into the lives of the nine graduates who were being ministered to in the Tabernacle on campus.

The Prophetic Ministry team consisted of three established people of faith: Rev. Sylvia Evans, Rev. Philip McNeill, and Brother Hector Santos. Through their prophecies came words of encouragement, wisdom, and confirmation of the calling on students' lives. Furthermore, the time of ministry to each student was opened in worship and closed in community prayer led by Dr. Fred Antonelli and the faculty and staff of EBIC.

Within the three main sessions that were held that day, the participants were moved by the words that will serve as confirmation as well as direction for their future. With this chapter of their education completed, the seniors will walk into the next season with a deeper knowledge of God's presence and plan for their lives.

As the senior class, we are tremendously thankful to the Lord and the Elim family for all the blessings that we had and the privilege to enjoy being here on "The Holy Hill." Thanks to the generations behind us, on whose foundations we can stand today, we are being sent to the world to proclaim God's salvation to the nations. We are not going to look back, because we know Who is going before us.

## The EBIC Podcast

*We are very blessed and excited to announce  
the upcoming release of our new podcast!*

Throughout the past several months, EBIC has been very blessed to receive financial and practical assistance that will enable us to begin our very own podcast! With the generous help of Lighthouse Church in Glen Burnie, Maryland, and Stan Letarte from Covenant Life Church in Henrietta, New York, we are quickly approaching the release of our first podcast episode! We know this is a resource that will greatly appeal to our friends and family of Elim!

The Elim Bible Institute and College Podcast will feature many hosts, topics, discussions, and encouragements. We will be inviting staff, students, faculty, alumni, and other guest speakers to share with us different topics that the Lord has placed on their hearts. We will also be hearing regularly from Dr. Fred Antonelli, as he shares about goings on at the college, interviews guest speakers in various areas and forms of ministry from both within and without the Elim circle (including national leaders at times), and shares verses and messages that have been stirring in his heart.

We are excited to have this unique opportunity to allow people from all different generations and backgrounds to hear from the men and women that God has brought to Elim. Whether they are visiting to speak in a chapel, or have been teaching here for 40 years, we are thrilled to be able to give them a space to share how the Lord has been moving in their lives. We cannot wait to share this podcast with you, and we hope that you will stay tuned to listen in when we release it this upcoming year!

# Volleyball Intramurals

*Students, staff, tenants, and alumni alike gather weekly to enjoy volleyball and each other's company!*

As students are balancing out classes, school work, chapels, and their campus employment, they make time to come together to play a friendly competitive game of Volleyball! During this spring semester, for about 8 weeks, students come together once a week to play against each other to reach the top to take home the victory. Elim students and staff members definitely know how busy it can get, but having a nice break to compete and fellowship stirs up their spirits.

Our very own Campus Life Director, Gabriel Cepeda does an excellent job with putting together healthy and balanced events so the students can enjoy each other's company. One of the main goals with these events is to provide students a time of building friendships and maybe even getting to know someone they may have never talked to before. The volleyball tournament is a perfect way for strengthening those relationships!

*Written by Robert Jones, a current Senior at Elim Bible Institute and College.*

# Memories that Last a Lifetime

A lot of exciting things are happening with our alumni! I want to explain our purpose for promoting our Elim Alumni Association. Over the decades, our Alumni program has been promoted in different ways in order to continue the friendships that have been formed here at Elim. Our current hope and goal is to rally alumni behind the mission of Elim by promoting prayer for the school and the recruitment of new students.

Speaking of recruitment of new students...do you want to get some FREE 100th Anniversary Merch?! For every incoming student you recruit in 2024 who lists your name on their application as their referral, you will be able to choose one item of merch—either a 100th Anniversary t-shirt or pen—from our tables at the 100th Anniversary Celebration or through our online store (coming soon!).

In my last two monthly Alumni Letters, we put a [link](#) for prayer requests. There have been a good number of you who have sent your requests in and we encourage you to continue. Our Admissions Team prays every weekday morning and includes your requests as we receive them.

One of our goals and initiatives for supporting the school financially is our Alumni Leaders program. This is a program that asks a little from many rather than a lot from a few. There have been alumni who have given much over the years and Elim has been richly blessed. However, this Alumni Leaders program is asking for many to give a little. Money

can be a touchy subject but money is also biblical. A contribution of only \$20 a month will not only help our beloved Bible college, but it also provides a lot of extras for you [here](#)!

We are also promoting Alumni Gatherings and are asking you to please consider attending one in your area. One of the main goals of these gatherings is to bring the Elim experience to different places where there are large pockets of alumni. We have had a few gatherings and they are exciting, fun, and inspirational! Admissions and our Elim Alumni Association are working together to make these times special and memorable. You, our alumni, in these different regions will help to make these gatherings successful. We have one of these Alumni Gatherings happening in Carlisle, Pennsylvania this summer on Saturday, August 10th. We have 600 alumni in Pennsylvania, and we could use your help. You will be getting an email with info on ways to help soon.

And last but not least, as most of you know, we are celebrating our 100th Anniversary Celebration on May 9th-12th right here on the EBIC campus! We are looking forward to seeing many of you and so hope you can make it. We are now sending out monthly emails about what is going on with our Elim Alumni Association. We hope you read them so that you can stay informed about your Elim family.

*Written by Rev. Guy Gabriel, Pastoral Liaison and Interim Alumni President at Elim Bible Institute and College.*

# Become an Alumni Leader!

*Are you passionate about supporting EBIC and would like to become more involved?*

Did you know that Alumni have an opportunity to become an [Alumni Leader](#) by committing to support EBIC with \$20 a month or more?

How will that benefit you?

- As an Alumni Leader, you will get an email account with the elim.edu domain, giving you additional benefits, such as:
  - Unlimited Google Drive storage,
  - Amazon Prime discounts,
  - Many software discounts (i.e., Office 360, etc.),
  - And much, much more!

- You will also become an Elim Library patron, giving you free access to Elim databases. This will enable you to access thousands of digital books, journals, and articles.

If interested or if you would like more information, please connect with our Elim Alumni Association President, Rev. Guy Gabriel, at (585) 582-8249 or [alumni@elim.edu](mailto:alumni@elim.edu).

A person is shown from the waist up, silhouetted against a bright sunset. Their arms are raised high in the air, palms facing forward, in a gesture of worship or praise. The background is a warm, golden-orange sky with soft clouds, and the sun is low on the horizon, creating a strong backlight effect. The overall mood is one of spiritual joy and devotion.

“Elim creates a worshipping  
environment, a posture of  
pursuit for God.”
