Policy Statement:

Elim Bible Institute and College makes a good faith effort to ensure every enrolled student receives access to a voter registration form.

Procedure:

The Financial Aid Office will request voter registration forms from the State no later than 120 days before the deadline for registering to vote in New York State. Voter registration forms for New York will be available outside of the Campus Life Office by the beginning of the Fall semester.

No later than the end of September, the Financial Aid Office will also send to each enrolled student an email devoted to voter registration information only which contains a link where such a form can be downloaded. <http://www.elections.ny.gov/VotingRegister.html>
